F

- 1) Obtain quotes for work projects so it can be budgeted
 - quotes won't be accurate if project we are looking for to have done is for following year
 - Need quotes for work in order to be put on budget. How do you know how much to budget if you don't get a quote

2) Contrac	ctors do not like to bid for work for the following year
	loosing the bid siness goes out of business
- Bid	is higher if you wait
-a.	Board Meeting location At the school? VOTE Leve has volunteered house.
a. b. c.	equests, or any Association-related work Procedure for Arch Requests after work is completed. Property Manager to oversee? For small jobs, When work is complete, take a picture and send to Cal before bill is paid? Suggestion: Update Architectural Request Form. "The Association will not be responsible for fixing an issue, caused by a resident who sold their property, and problems arise from fixing an issue. New owner resident will be responsible." Even though the President agrees with this statement; unfortunately, it is the Association who is responsible for having work checked when done. When I would the processing entation of the decorators of Lehman Crossing entation of the decorators of Lehman
b.	Was previously done at meeting; but, BOD meeting is now every other month. Work delayed two months. All work waits? What if you see questionable work being done?
